

PRODUCT SPECIFICATIONS:

Features:

- Excellent efficacy & performance
- No harmful UV & IR radiations
- Environment friendly as it does not contain mercury
- Instant light with low running temperatures

Housing:

Elegantly designed glass housing to provide uniform light distribution

Light Source:

High efficiency long life SMD LED Module

End Caps:

High quality plastic end caps in white finish are snap fitted to the housing

T8 LED Tube

Ultra bright LED glass tube with high efficacy suitable for installation in existing T8 tubelight luminaire.

APPLICATION:

Offices, Shopping Malls, Parking Areas, Hotels, General Stores
