

DELIVERY HOSE

Description:

A lightweight and super flexible PVC delivery hose, reinforced with a rigid internal crush and kink resistant white PVC helix. It is tough, flexible and extremely durable even under cold working conditions and has an outstanding resistance to the effects of weather. Manufactured with a white rigid crush resistant anti-shock PVC spiral helix encapsulated in a flexible grey PVC cover, with a smooth inside wall.

Features:

- Minimum frictional loss is achieved by the smooth bore.
- Tough, flexible and extremely durable even under cold working conditions.
- Outstanding resistance to the effects of weather.
- Excellent chemical and abrasion resistance.
- Smooth outer for ease of cleaning down.
- Delivery and light duty suction of water, slurries and powders.
- Within the agricultural industry the hose is specially used for conveying liquid fertilizers, dilute chemicals and insecticides.

Sizes:

Available in 18m, 30m coils

Colours:

Standard: Transparent Green, White Helix

Also available in: Black, White Helix

Applications:

- Horticultural
- Agricultural
- Marine
- Construction

Construction:
