

Eaton 3S Mini - 36W DC UPS

Power protection for residential DC applications

© 2021 Eaton, All rights reserved.

Value Proposition

Secure service continuity for connected equipment during power outages thanks to an affordable and compact DC UPS providing power to Internet routers, IP cameras, Home assistants and Smart controllers.

Value proposition	Why It Matters?
Internet connection reliability 	Internet gateway continues operating during power outage ensuring uninterrupted connection for professional (home office) or residential (smart-home, gaming) purposes.
Remote or local home control 	Security home systems are protected, including smart-home routers, personal assistants, IP cameras or access control devices.
Smooth integration 	Offers enhanced Industrial Design together with compact protection solution.

Why a 3S Mini? – Use cases

Use case #1:
Internet router securing home office activity

Use case #2:
Personal assistant maintaining smart devices control or entertainment

Use case #3:
IP camera to keep monitoring your home

Other examples of usage:

- Wifi extenders to secure network operation
- Standard phones to maintain communication up and running
- And so many more!

Why a 3S Mini? - Benefit

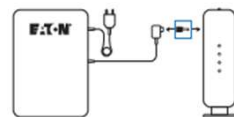

Initial installation

- Typical stand-alone DC application needs an AC-DC transformer to be powered. This offers no power protection

Protected installation

- 3S Mini replaces the original power supply and protects the application (similar size and no additional cable)

Peace of mind

Runtime

	Typical runtime
IP camera (3 Watts)	Up to 5 hours
TV player (~4 Watts)	Up to 4 hours
Wifi extender (7 Watts)	Up to 2 hours
Basic Internet gateway (9 Watts)	80 minutes
Advanced Internet gateway (15 Watts)	40 minutes

Output protection

- Integrated auto-resettable current and voltage limitation (3,5A / 20V)

Easy to use

Output voltage selection

- 9V, 12V, 15V, 19V
- Pre-set at 12V to be immediately compatible with most applications
- Cold start function available to be used as a power bank

4-LED battery capacity indicator

Integration

Compact and appealing

- Same design as Eaton 3S Gen2 & Protection Box

4 x adaptors provided

- 3,5 x 1,5mm 
- 4,75 x 1,7mm 
- 5,5 x 2,1mm 
- 5,5 x 2,5mm 

Range overview

	3SM36	3SM36B
		
9V / 12V / 15V / 19V selectable output voltage	✓	✓
4 Barrel adaptors	✓	✓
Battery capacity indicator	✓	✓
Local input cable	Schuko/French 	BS 
Connected equipment warranty	2 Years	2 Years
